Senior Director, Global
Supply Chain

Compliance with the FSMA PSR Add-on is not as assurance or guarantee of FSMA compliance. Legal compliance can only be determined by a regulatory authority such as the United States Food and Drug Administration. This certification is based on observations during the inspection regarding the standards established by the FSMA-PSR Add-on. No certification can provide an assurance that all food produced by the inspected operation is safe for consumption. This letter of Conformance is only valid as long as the IFA Plants scope certificate is Valid.

The current status of this letter of conformance is always displayed at: <https://database.globalgap.org>
